Interco Fabrications specializes in building custom docks. We have been serving our customers for over 25 years in the Kawartha Lakes area as a family owned and operated business. We custom build docks, marine railways, ATV carriers, and wide range of trailers, as well as carry outdoor wood burning furnaces.

Our mission is to provide superior quality products and to exceed our customers expectations on time, service and craftsmanship. We manufacture top quality docks, decks and marine systems, in steel, galvanized and aluminium. We can also custom design, fabricate and install systems to meet your requirements, or supply components for the do-it-yourselfer!
